Would you like to give [redacted] a copy of this? If both of you agree, would you like to give this out to the APEX Steering Group? Purpose--to try to reach a common understanding of foreign release of US intelligence.

Alternative: Copies to NSA, SIGINT and COMIREX to determine whether common understanding exists.

P.S. I still have the original if you need it for reproducing copies. JF

I tried to weave policy in the attached paper to H.E. on the
